## COCKTAILS

---

### **Don't Mind If I Do**

16

WestWinds gin, fresh lime, St. Germain elderflower liqueur & celery bitters.

A cocktail heavy with vegetable flavours, sweetened and shaken up with egg white to give a light, dessert-like consistency. WestWinds gin, it is the Australian expression of a traditional gin, incorporating a strong undercurrent of citrus weaving through twelve spices and botanicals including juniper, lemon myrtle, lime peel and wattle seed. The recipe for Celery bitters was unused and forgotten for decades and has been rediscovered and remade only recently.

### **Apparent Sour**

16

Aperol, St. Germain elderflower liqueur & fresh lime.

If you are looking for a refreshing, softer, fruitier cocktail without losing your dignity then this is for you. It's delicious and also has a low alcohol content. Aperol is a liqueur made from bitter orange, gentian and rhubarb. The flavour and smell of the drink is that of a delicious garden.

### **The Palate Cleanser**

17

Domaine de Canton, Aperol, Noilly Prat, Campari & Ruby Red Grapefruit juice.

A refreshing combination of aperitifs with hints of ginger and orange. A great way to prepare yourself for a delicious meal. Designed by our barman in collaboration with the head chef. This drink will work especially well with the Pork Belly.

### **Strawberry Mintaretto**

17

Fresh strawberries, Amaretto, Peppermint Schnapps, Tequila Blanco, lemon & brown sugar.

A well balanced, easy to drink & full of flavour cocktail that is worth a try. The combination of berry, almond and mint flavours will leave you wondering how it works. Rest assured that it does.
